Course Introduction

Introduction to Systems Engineering Part 1

Introduction to Systems Engineering Part 2

Lunch

Introduction to Systems Engineering Part 3

What is a Combat System?

Combat System Scenario

Use of the Combat System

Dinner at Hotel

Data Management Standards & Integration+ Networks

Combat System Component Based Architecture

Requirements Engineering

Safety

Lunch

Maritime Integration Support Centre Tour PTP

Warship Alignment

RN Communications

Geospatial Errors

Warship Vulnerability Reduction

Submarine Common Combat System Initiative

Human Factors Integration

Lunch

Maritime Composite Training System Tour HMS Collingwood

Bridge / Navigation Trainer Tour HMS Collingwood

Wardroom Dinner HMS Excellent

Autonomous Systems

Shared Infrastructure

Supportability Engineering

Combat System Evolution & T26

Lunch

Shore Integration Facility Tour & Demonstration PTP

Electromagnetic Environmental Effects

Maritime Command & Control

Maritime Force Capability Assurance

QEC Combat System

Combat System Change Management & Fleet Minor Trials

Engineering the Combat System & Closing Remarks
