Special Resolutions

Resolution 17 – Disapplication of pre-emption rights: standard

THAT, subject to the passing of Resolution 16, the Directors be and are hereby empowered pursuant to sections 570(1) and 573 of the Companies Act 2006 (the '2006 Act') to allot equity securities (within the meaning of section 560 of the 2006 Act) for cash pursuant to the authority conferred by Resolution 16 above and sell ordinary shares (as defined in section 560(1) of the 2006 Act) held by the Company as treasury shares for cash, as if section 561(1) of that Act did not apply to any such allotment or sale provided that this power shall be limited to:

- a) the allotment of equity securities and the sale of treasury shares in connection with an offer of equity securities (but in the case of the authority granted under paragraph (b) of Resolution 16 by way of rights issue only) in favour of the holders of ordinary shares on the register of members at such record dates as the Directors may determine where the equity securities respectively attributable to the interests of the ordinary shareholders are proportionate (as nearly as may be practicable) to the respective numbers of ordinary shares held or deemed to be held by them on any such record dates, subject to such exclusions or other arrangements as the Directors may deem necessary or expedient to deal with treasury shares, fractional entitlements, record dates or legal or practical problems arising under the laws of, or the requirements of, any regulatory body or stock exchange in any territory or any other matter; and
- b) in the case of the authorisation granted under paragraph (a) of Resolution 16 (or in the case of any sale of treasury shares), the allotment (otherwise than pursuant to sub-paragraph (a) of this Resolution 17) to any person or persons of equity securities up to an aggregate nominal amount of £283,000,

and shall expire upon the expiry of the general authority conferred by Resolution 16 above, save that the Company shall be entitled to make offers or agreements before the expiry of such power which would or might require equity securities to be allotted, or treasury shares to be sold, after such expiry and the Directors shall be entitled to allot equity securities or sell treasury shares pursuant to any such offer or agreement as if the power conferred hereby had not expired.

Resolution 18 – Disapplication of pre-emption rights: acquisitions

THAT, subject to the passing of Resolutions 16 and 17 and in addition to the power given by Resolution 17, the Directors be and are hereby empowered pursuant to sections 570(1) and 573 of the Companies Act 2006 (the '2006 Act') to allot equity securities (within the meaning of section 560 of the 2006 Act) for cash pursuant to the authority conferred by Resolution 16 above and sell ordinary shares (as defined in section 560(1) of the 2006 Act) held by the Company as treasury shares for cash, as if section 561(1) of the 2006 Act did not apply to any such allotment or sale provided that this power shall be:

- a) limited to the allotment of equity securities for cash and the sale of treasury shares, up to an aggregate nominal amount of £283,000; and
- b) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors have determined to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this Notice, or for any other purposes as the Company in general meeting may at any time by special resolution determine,

and shall expire at the conclusion of the next Annual General Meeting of the Company (or, if earlier, on 25 October 2019), save that the Company shall be entitled to make offers or agreements before the expiry of such

power which would or might require equity securities to be allotted, or treasury shares to be sold, after such expiry and the Directors shall be entitled to allot equity securities or sell treasury shares pursuant to any such offer or agreement as if the power conferred hereby had not expired.

Resolution 19 – Authority to purchase own shares

THAT the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 (the '2006 Act') to make market purchases (within the meaning of section 693(4) of the 2006 Act) of any of its ordinary shares of 1 pence each of the Company on such terms and in such manner as the Directors may from time to time determine, and where such shares are held as treasury shares, the Company may use them for the purposes of its employee share schemes, provided that:

- a) the maximum number of ordinary shares hereby authorised to be acquired is 56,700,000;
- b) the minimum price which may be paid for any such share is 1 pence (which amount shall be exclusive of expenses, if any);
- c) the maximum price (exclusive of expenses) which may be paid for any such share is the higher of:
 - (i) an amount equal to 105% of the average of the middle market quotations for an ordinary share in the Company as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such share is contracted to be purchased; and
 - (ii) the higher of the price of the last independent trade and the highest current independent bid for an ordinary share in the Company on the trading venues where the market purchases by the Company pursuant to the authority conferred by this Resolution 19 will be carried out;
- d) the authority hereby conferred shall expire at the conclusion of the Annual General Meeting of the Company in 2019, or on 25 October 2019, whichever is the earlier, unless previously renewed, varied or revoked by the Company in general meeting; and
- e) the Company may make a contract to purchase its ordinary shares under the authority hereby conferred prior to the expiry of such authority, which contract will or may be executed wholly or partly after the expiry of such authority, and may purchase its ordinary shares in pursuance of any such contract.

VOTING BY PROXY

A Proxy Form is enclosed with this Notice, and instructions for its completion and return by post are shown on the form. Alternatively, you can appoint a proxy online at www.sharevote.co.uk. Further details regarding the appointment of proxies and rights of shareholders to attend and vote at the Annual General Meeting are set out in the 'Important notes for shareholders' section which begins on page 5 (and which forms part of this Notice).

Explanatory notes

Resolution 1 – Report and Accounts

The Directors are required by law to present to the Meeting the accounts and the reports of the Directors and auditor for the year ended 31 March 2018.

Resolution 2 – Directors' Remuneration Report

The Annual Report on Remuneration, which includes a statement from Michael Harper, Chairman of the Remuneration Committee, is set out on pages 62 to 65 and pages 67 to 77 of the Company's Report and Accounts 2018. The Directors' Remuneration Report sets out payments and awards made to the Directors and details the link between Company performance and remuneration during the financial year under review, together with some details of how the remuneration policy will be implemented in the next financial year. The vote on the Directors' Remuneration Report, under Resolution 2, is advisory in nature and the entitlement of any individual Director to remuneration is not conditional upon it. This Resolution is put annually, as required by the Companies Act 2006.

There is no requirement for a shareholder vote on the Directors' Remuneration Policy as it was approved by shareholders at the 2017 Annual General Meeting and remains unchanged. Unless there is a specific requirement to change the Directors' Remuneration Policy, it is valid for three years and will therefore be put to a shareholder vote no later than the Annual General Meeting to be held in 2020. A summary of the Directors' Remuneration Policy is included on page 66 of the Company's Report and Accounts 2018.

Resolution 3 – Declaration of a dividend

Final dividends must be approved by shareholders but must not exceed the amount recommended by the Directors. If the Meeting approves Resolution 3, a final dividend in respect of the financial year ended 31 March 2018 of 4.2 pence will be paid on 31 August 2018 to the ordinary shareholders on the register of members at the close of business on 3 August 2018 in respect of each ordinary share.

Resolutions 4 to 12 – Re-election of Directors

Each member of the Board has offered himself/herself for re-election in order to comply with best practice in the Company's application of corporate governance. The Board of Directors unanimously recommends that they each be re-elected as Directors of the Company. The Chairman confirms that each of the Non-executive Directors who are seeking re-election at the Annual General Meeting continues to be an effective member of the Board and to demonstrate their commitment to their role. The Chairman himself is also seeking re-election to the Board. Michael Harper, in his capacity as Senior Independent Director, has confirmed that the Chairman continues to be an effective Chairman and demonstrates commitment to his role as Chairman.

Biographical details for each Director are set out in the Appendix to this Notice of Meeting.

Resolutions 13 and 14 – Re-appointment of auditor and determining their remuneration

The Company is required to appoint an auditor at each general meeting at which accounts are laid, to hold office until the end of the next such meeting. Resolution 13, which is recommended by the Audit Committee, proposes the re-appointment of PricewaterhouseCoopers LLP as auditor of the Company and Resolution 14 follows best practice in giving authority to the Audit Committee to determine their remuneration.

Resolution 15 – Political donations

Resolution 15 is designed to deal with rules on political donations and expenditure contained in Part 14 of the 2006 Act (sections 362 to 379). Under section 378 of the 2006 Act, a company may not make donations to an EU political party, or other EU political organisation, or to an independent election candidate in the EU, of more than £5,000 in total, or incur any EU political expenditure, without first obtaining shareholder approval. It is the Company's policy not to make donations or other contributions to political parties. There is no intention to change that policy. What constitutes a 'political donation', a 'political party', a 'political organisation' or 'political expenditure' under the 2006 Act is not clear, as the legislation is capable of wide interpretation and may have the effect of covering a number of normal business activities that would

not be thought to be political donations in the usual sense. To avoid any possibility of inadvertently contravening the 2006 Act, the Board considers that it would be prudent to follow the procedure specified in the 2006 Act to obtain shareholder approval for the Company and its subsidiaries to make political donations or incur political expenditure in the forthcoming year until the conclusion of the Annual General Meeting of the Company in 2019 (up to a total amount of £100,000 either individually or in aggregate). This authority will not be used to make any political donations as that expression would normally be understood.

Resolution 16 – Authority to allot new shares

Resolution 16 deals with the Directors' authority to allot shares.

The Directors may allot shares and grant rights to subscribe for, or convert any security into, shares only if authorised to do so by shareholders. The authority granted at the last Annual General Meeting is due to expire at this year's Annual General Meeting. Accordingly, Resolution 16 will be proposed as an ordinary resolution to grant new authorities to allot shares and grant rights to subscribe for, or convert any security into, shares.

Paragraph (a) of Resolution 16 will allow the Directors to allot shares in the capital of the Company up to a maximum nominal amount of £1,890,615, representing approximately one third of the Company's issued ordinary share capital (excluding treasury shares) as at 1 June 2018 (the latest practicable date prior to publication of this Notice). In accordance with the latest institutional guidelines issued by the Investment Association, paragraph (b) of Resolution 16 will also allow Directors to allot, including the ordinary shares referred to in paragraph (a) of Resolution 16, ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £3,781,230 (as reduced by allotments under paragraph (a) of Resolution 16), representing (before any reduction) approximately two thirds (66.66 per cent) of the Company's existing issued share capital (exclusive of treasury shares) calculated as at 1 June 2018 (being the latest practicable date prior to publication of this Notice). The power will last until the conclusion of the next Annual General Meeting in 2019 or, if earlier, 25 October 2019.

The Directors have no present intention of exercising this authority. However, if they do exercise the authority, the Directors intend to follow emerging best practice as regards its use as recommended by the Investment Association.

As at 1 June 2018, the Company held 4,515,868 ordinary shares in the capital of the Company in treasury, representing 0.8 per cent of the total number of ordinary shares in issue (excluding treasury shares).

Resolution 17– Disapplication of pre-emption rights: standard

Resolution 17 will give the Directors authority to allot equity securities or sell treasury shares, pursuant to the authority granted under Resolution 16 above, for cash, and otherwise than to existing shareholders pro rata to their holdings, in certain circumstances. Apart from offers or invitations in proportion to the respective number of shares held, the authority will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £283,000 (being just under five per cent of the Company's issued ordinary share capital (excluding treasury shares) as at 1 June 2018, the latest practicable date prior to publication of this Notice). If given, this power will expire on 25 October 2019 or at the conclusion of the Annual General Meeting in 2019, whichever is the earlier.

The figure of five per cent (excluding treasury shares) reflects the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the "Statement of Principles"). Your Directors will have due regard to the Statement of Principles in relation to any exercise of this power, in particular they do not intend to allot shares for cash on a non-pre-emptive basis pursuant to this power in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company (excluding treasury shares) in any rolling three-year period, without prior consultation with shareholders. The Directors have no present intention of exercising this authority.

Explanatory notes continued

Resolution 18 – Disapplication of pre-emption rights: acquisitions

The Directors are seeking again this year a further power from shareholders to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings, to reflect the Statement of Principles. Accordingly, Resolution 18 will be proposed as a special resolution to grant such a power. The power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £283,000 (being five per cent of the Company's issued ordinary share capital (excluding treasury shares) as at 1 June 2018, the latest practicable date prior to publication of this Notice. This is in addition to the five per cent referred to in Resolution 17). If given, this power will expire on 25 October 2019 or at the conclusion of the Annual General Meeting in 2019, whichever is the earlier. Your Directors will have due regard to the Statement of Principles in relation to any exercise of this power and in particular they confirm that they intend to use this power only in connection with a transaction which they have determined to be an acquisition or other capital investment (of a kind contemplated by the Statement of Principles most recently published prior to the date of this Notice) which is announced contemporaneously with the announcement of the issue, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

The Directors have no present intention of exercising this authority.

Resolution 19 – Authority to purchase own shares

Resolution 19 gives the Company the authority to purchase its own ordinary shares in the market (as permitted by the 2006 Act) up to a maximum of 56,700,000 ordinary shares until the conclusion of the Annual General Meeting to be held in 2019. This represents approximately 10% of the ordinary shares in issue (excluding treasury shares) as at 1 June 2018 (the latest practicable date prior to publication of this Notice) and the Company's exercise of this authority is subject to the maximum and minimum prices specified in Resolution 19.

The Directors have no intention at the present time of exercising this authority. The authority will be exercised only if the Directors believe that it will be in the best interests of the Company to purchase ordinary shares to satisfy awards or the exercise of options under employee share schemes or if the Directors otherwise believe that this will improve earnings per share. The current expectation is that any shares purchased under this authority would either be used to satisfy awards or the exercise of options under employee share schemes or would be held as treasury shares, but the Company would retain the flexibility to cancel any such shares or sell them for cash if it considers this to be in its best interests.

As at 1 June 2018 (the latest practicable date prior to publication of this Notice), there were options outstanding over 6,548,264 ordinary shares, which, if exercised, would represent approximately 1.15% of the Company's issued share capital (excluding treasury shares). If this authority were exercised in full and the purchased shares were cancelled, then these options would represent approximately 1.28% of the Company's then issued share capital (excluding treasury shares). There are no warrants outstanding.

Resolution 20 – Notice of meetings

Resolution 20 is a resolution to allow the Company to hold general meetings (other than annual general meetings) on 14 clear days' notice.

Before the introduction of the Companies (Shareholders' Rights) Regulations 2009 in August 2009, the minimum notice period permitted by the 2006 Act for general meetings (other than annual general meetings) was 14 days. One of the amendments that the Companies (Shareholders' Rights) Regulations 2009 made to the 2006 Act was to increase the minimum notice period for listed company general meetings to 21 clear days, but with an ability for companies to reduce this period back to 14 clear days (other than for annual general meetings) provided that: (i) the Company offers facilities for shareholders to vote by electronic means; and (ii) there is an annual resolution of shareholders approving the reduction in the minimum notice period from 21 clear days to 14 clear days.

The Board is therefore proposing Resolution 20 as a special resolution to approve 14 clear days as the minimum period of notice for all general meetings of the Company other than annual general meetings. The approval will be effective until the Company's next Annual General Meeting, when it is intended that the approval be renewed. The Company will use this notice period when permitted to do so in accordance with the 2006 Act and when the Directors consider that it is appropriate to do so.

Important notes for shareholders

The following notes explain your general rights as a shareholder and your right to attend and vote at this Meeting or to appoint someone else to vote on your behalf.

1. Entitlement to attend and vote

The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 and section 360B(2) of the 2006 Act, specifies that only those shareholders on the register of members as at 6.30pm on 23 July 2018 are entitled to attend and vote at the Meeting in respect of the number of shares registered in their name at that time or, if the Meeting is adjourned, as at 6.30pm on the date which is two days prior to the adjourned Meeting (as the case may be). In each case, changes to the register of members after that time shall be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the Meeting.

2. Appointment of proxies

- 2(i) A shareholder entitled to attend and vote at the Meeting may appoint another person(s) (who need not be a shareholder of the Company) to exercise all or any of his/her rights to attend, speak and vote at the Meeting. A shareholder can appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attaching to different shares held by him/her.
- 2(ii) A proxy does not need to be a member of the Company but must attend the Meeting to represent you. Your proxy could be the Chairman, another Director of the Company or another person who has agreed to attend to represent you. Your proxy will vote as you instruct and must attend the Meeting for your vote to be counted. As referred to above, details of how to appoint the Chairman or another person as your proxy using the proxy form are set out in the notes to the proxy form. Appointing a proxy does not preclude you from attending the Meeting and voting in person.
- 2(iii) You may register your proxy appointment and voting directions electronically by visiting the www.sharevote.co.uk website, where full details of the procedure are given. If you return more than one proxy appointment, either by paper or electronic communication, that received last by the registrar before the latest time for receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
- 2(iv) In order to be valid, an appointment of a proxy must be returned (together with the original or duly certified copy of the power of attorney or other authority (if any) under which it is signed or authenticated) by one of the following methods:
- (a) deposited with the Company's registrar, by either mailing it to them at the address shown on the proxy form or via www.sharevote.co.uk; or
 - (b) in the case of CREST members, lodged using the CREST proxy voting service – see note 5 below,

and in each case must be received not later than 11.00am on Monday, 23 July 2018 or 48 hours (excluding non-working days) before the time for holding any adjourned Meeting (or in the case of a poll taken subsequently to the date of the Meeting or adjourned meeting, not less than 24 hours before the time appointed for the taking of the poll).

3. Appointment of corporate representatives

Any corporation which is a member of the Company may appoint one or more corporate representatives. Each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that he/she does not do so in relation to the same shares. It is no longer necessary to nominate a designated corporate representative.

4. Rights of Nominated Persons

The statement of the rights of shareholders in relation to the appointment of proxies above does not apply to any person who is a person nominated under section 146 of the 2006 Act to enjoy information rights (a 'Nominated Person'). The right to appoint proxies can only be exercised by shareholders of the Company and not by a Nominated Person. However, a Nominated Person may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

5. Appointment of proxies using the CREST system

- 5(i) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on Wednesday, 25 July 2018 and any adjournment(s) thereof by using the procedures described in the CREST Manual, subject to the provisions of the Company's Articles of Association. The CREST Manual is available at www.euroclear.com. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 5(ii) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (**ID RA19**) by the latest time(s) for receipt of proxy appointments specified in the Notice of Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions.
- 5(iii) It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)), such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Voting on all resolutions will be conducted by way of a poll rather than a show of hands. This is a more transparent method of voting as member votes are to be counted according to the number of shares held.

As soon as practicable following the Meeting, the results of the voting at the Meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be announced via a Regulatory Information Service and also placed on the Company's website, www.QinetiQ.com.

The Company cannot require a member requesting the publication to pay its expenses in complying with sections 527 or 528 of the 2006 Act. Any statement placed on the website, under section 527 of the 2006 Act, must also be sent to the Company's auditor no later than the time it makes its statement available on the website. You will also be able to access your individual shareholding quickly.

15. Protection from fraud

Protecting your shareholding is important to us. Please read the tips below to help safeguard your shareholding.

- Keep all your certificates safe, or hold your shares electronically in CREST via a nominee.
- Any correspondence received from the registrar which shows your shareholder reference number should be kept in a safe place, or destroyed by shredding – never just put in the bin.
- If you receive a letter from the registrar regarding a change of address and you have not recently moved, contact the registrar immediately as you may be a victim of identity theft.
- Elect to have your dividends paid direct into your bank. This will stop payments being intercepted, or lost, in the post. Please remember to tell the registrar if you change your bank account details.
- When buying or selling shares, only deal with brokers in your country of residence or the UK.
