- 5.2 Time for delivery shall be of the essence. The Goods shall be delivered on the date stated in the Agreement or, if no such date is stated, within twenty-eight (28) days of the date of the Purchase Order. - 5.5 In addition to any express obligations set out in the Agreement, the Supplier shall provide the Purchaser with:
- 5.5.1 regular progress updates and/or attend progress meetings in relation to the Supplier's performance under the Agreement, as reasonably requested by the Purchaser from time to time; and

6. LABELLING AND PACKING

- 6.1 The Supplier shall ensure that each delivery is accompanied by:

- 7.2 Where the work under the Agreement involves the Supplier being given custody or control of equipment, assets or other property of the Purchaser (or any customer of the Purchaser or other party on whose behalf the Purchaser is acting), then such equipment, assets or property shall be at the risk of the Supplier whilst they are in the Supplier's custody or control (which shall include any period where the equipment, assets or property are being transported using a carrier arranged by the Supplier).

8. INSPECTION AND REJECTION

- 8.1 The Purchaser shall have the right to inspect and test the Goods and any Deliverables prior to or within a reasonable time after their delivery, at such times as the Purchaser may reasonably require.
- 8.2 If the Goods or Services do not conform to the Agreement, including the Specification and any other requirements referred to in the Agreement, the Purchaser may serve a written remediation notice on the Supplier, requiring it immediately to take such action as is necessary to ensure conformity to the reasonable satisfaction of the Purchaser. Such action may include providing replacement Goods and/or re-performing the Services. Where the Agreement contains acceptance criteria relating to the delivery of the Goods and/or Services, these shall apply in addition to the provisions of this Clause.
- 8.3 Notwithstanding Clause 8.2, where any Goods or Services do not conform to the Agreement, the Purchaser shall be entitled to exercise any remedies available at law or under the Agreement.
- 8.4 Any omission by the Purchaser to undertake, or any approval given during or after, such inspection or testing shall not constitute a waiver of any of the Purchaser's rights or remedies in respect of the Goods or Services. Any such inspection or testing shall not diminish or otherwise affect the Supplier's obligations under the Agreement.

9. PRICE AND PAYMENT

- 9.1 The price of the Goods and Services shall be as stated in the Purchase Order and shall, unless otherwise agreed in writing by the Purchaser, be exclusive of value added tax or other equivalent sales taxes (**VAT**) but inclusive of all other charges. The Purchaser shall pay the price of the Goods and Services net of any deductions or withholding taxes required by law.
- 9.2 The Supplier may invoice the Purchaser on completion of the milestone(s) specified in the Purchase Order or (where no milestones are specified) when the Goods and any Deliverables have been delivered. The Supplier shall, in any event, invoice the Purchaser within six (6) months of completion of the work under the Agreement. If the Purchaser has to investigate its own records to deal with payment queries after six (6) months, the reasonable costs of so doing may be deducted from the amount due.
- 9.3 The Purchaser may, at its option, require the Supplier to submit all invoices for work carried out under the Agreement to the invoice address given on the Purchase Order or via its electronic invoicing system, details of which are also set out on the Purchase Order. The same invoice must not be sent via both methods. Unless otherwise specified in the Purchase Order, the Purchaser shall pay the price of the Goods and Services which meet the requirements of the Agreement within sixty (60) days of (a) receipt of a valid VAT invoice at the invoice address given on the Purchase Order; or (b) the date when the invoice is submitted for payment to the Purchaser's electronic invoicing system.
- 9.4 Any invoice which, when taking into account all other invoices already submitted, is for a cumulative value above that of the Purchase Order will be rejected by the Purchaser.
- 9.5 The Purchaser cannot guarantee to make payment on time for any invoice which is not sent to its official Accounts Payable address as detailed on the Purchase Order.
- 9.6 The Supplier shall not be entitled to claim any payment following the expiry of one (1) year after the date of completion of the supply of the Goods or Services to which they relate.
- 9.7 Without prejudice to any other rights or remedies, the Purchaser reserves the right to set off any amount owing at any time from the Supplier to the Purchaser against any amount due to the Supplier under the Agreement.
- 9.8 If the Purchaser fails to pay any sum properly due pursuant to the Agreement, the Purchaser shall, upon written request, pay simple interest to the Supplier on such sum from the due date for payment specified in Clause 9.3 at an annual rate equivalent to the base lending rate from time to time of Barclays Bank plc plus 2 percentage points. Such interest shall accrue on a daily basis until payment is made.

10. WARRANTY

- 10.1 Unless otherwise specified in the Purchase Order, the Goods and any Deliverables shall comply with the requirements of the Agreement for twelve (12) months from putting into service or eighteen (18) months from the date of delivery in accordance with Clause 5, whichever shall be the shorter.
- 10.2 If the Purchaser, within the warranty period or within thirty (30) days thereafter, gives written notice to the Supplier of any defect in any Goods or Deliverables arising during the warranty period under proper and normal use, the Supplier shall, without prejudice to any other rights or remedies which the Purchaser may have, immediately take such action as is necessary to remedy the defects (whether by repair, replacement or re-performance as the Purchaser shall elect) at the Supplier's expense.

11. INTELLECTUAL PROPERTY RIGHTS

- 11.1 Ownership of Background IPR shall remain unaffected by the terms of the Agreement. Accordingly, all Intellectual Property Rights in any statements of work, specifications, instructions, plans, drawings, patterns, models, designs or other material furnished to or made available to the Supplier by the Purchaser shall, subject to the rights of third parties, remain vested solely in the Purchaser.
- 11.2 The purchase price for the Goods and Services includes all the irrevocable, perpetual, worldwide, non-exclusive, royalty-free rights (with a right to grant sub-licences) for the Purchaser to use all Background IPR of the Supplier incorporated in the Goods and Deliverables for the purpose of receiving and using the Goods, Deliverables and/or Services and for its own business purposes.
- 11.3 The Supplier hereby assigns to the Purchaser, with full title guarantee and free from all third party rights, all Foreground IPR generated by or on behalf of the Supplier.

- 11.4 The Supplier shall keep the Purchaser indemnified in full against all liability, actions, suits, claims, demands, losses, charges, costs and expenses (including legal and other professional fees and expenses) incurred by the Purchaser as a result of or in connection with any infringement or alleged infringement of any Intellectual Property Rights caused by the use, manufacture or supply of the Goods and/or Services (as applicable).

12. INSURANCE

- 12.1 During the Term and for a period of one (1) year thereafter, the Supplier will take out and maintain with a reputable insurer insurance policies in respect of its liabilities under or in connection with the Agreement, including: (i) employer's liability insurance; (ii) public liability insurance (with product liability cover where the Supplier is supplying Goods); and (iii) professional indemnity insurance (where the Supplier is supplying Services), in each case with the level of cover agreed in writing with the Purchaser or, in the absence of such agreement, with a level of cover appropriate for the Goods and Services to be supplied under the Agreement. The Supplier will provide all facilities, assistance and advice reasonably required by the Purchaser or the Purchaser's insurers for the purpose of dealing with any action, claim or matter arising out of the Supplier's performance of the Agreement.
- 12.2 The Supplier shall produce to the Purchaser upon request, copies of a broker's verification of insurance to demonstrate that the required insurance cover referred to in Clause 12.1 is in place. The terms of any insurance or the amount of cover shall not relieve the Supplier of any liabilities arising under the Agreement.
- 12.3 This Clause 12 shall survive termination or expiry of the Agreement.

13. TERMINATION

- 13.1 The Purchaser shall have the right at any time to terminate the Agreement (in whole or in part) for convenience by giving the Supplier not less than thirty (30) days' written notice, whereupon all work on the Agreement (or the part of the Agreement so terminated) shall be discontinued. The Supplier will take all reasonable steps to mitigate the effects of termination. Upon termination under this Clause 13.1, the Purchaser shall pay to the Supplier fair and reasonable compensation for work-in-progress at the time of termination, but such compensation shall not include loss of anticipated profits or any indirect or consequential loss nor shall it exceed the price that would have been payable to the Supplier if the Agreement (or the relevant part of the Agreement) had not been terminated. Title in all Goods and any Deliverables shall pass to the Purchaser on such payment, and (if not already delivered) shall be delivered to the Purchaser at that time.
- 13.2 Either Party shall have the right to terminate at any time by giving the other Party written notice to terminate the Agreement immediately if:

 - 13.2.3 any distress, execution or other process is levied upon any of the assets of the other Party;
 - 13.2.4 the other Party agrees to any kind of composition, rescheduling, scheme, compromise or arrangement involving it and its creditors generally (or any class of them) as a result of financial difficulties;
 - 13.2.5 an order is made or an effective resolution is passed for the other Party's winding up (except for the purposes of amalgamation or reconstruction as a solvent company), or if a petition is presented to court, or if a receiver/manager, administrative receiver or administrator is appointed in respect of the whole or any part of the other Party's undertaking or assets;
 - 13.2.6 any event occurs, or proceeding is taken, with respect to the other Party in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in Clauses 13.2.3 to 13.2.5 inclusive;
 - 13.2.7 the other Party ceases or threatens to cease to carry on its business; or
 - 13.2.8 the financial position of the other Party deteriorates to such an extent that, in the reasonable opinion of the non-defaulting Party, the capability of the other Party to adequately fulfil its obligations under the Agreement has been placed in jeopardy.
- 13.3 The expiry or termination of the Agreement, however arising, will be without prejudice to the rights and obligations of the Parties which have accrued prior to expiry or termination. The provisions of Clauses 10 (Warranty), 11 (Intellectual Property Rights), 12 (Insurance), 13.3, 14 (Remedies), 16 (Confidentiality), 17 (Assignment and Sub-contracting), 18 (Publicity), 22 (Miscellaneous), 29 (Dispute Resolution) and 30 (Governing Law and Jurisdiction) shall survive expiry or termination of the Agreement, together with any provisions hereof which by their nature should survive the expiry or termination of the Agreement.

14. REMEDIES

- 14.1 Without prejudice to any other rights or remedies which the Purchaser may have under the Agreement or otherwise, if any Goods or Services are not supplied in accordance with, or the Supplier fails to comply with, the Agreement and the Supplier has failed to remedy such breach of the Agreement within thirty (30) days of receipt of a written remediation notice from the Purchaser, the Purchaser shall be entitled to avail itself of one or more of the following remedies, whether or not any part of the Goods or Services have been accepted by the Purchaser:
- 14.1.1 to require the Supplier to provide replacement Goods and/or re-perform the Services;
