Notes:

- 1) Accuracy of positions to 0.2 nautical miles on 19 April 2024.
- 2) Positions may be subject to last-minute changes due to unforeseen circumstances.
- 3) Additional items may also be placed within the Danger Area for short periods of time for operational purposes.
- 4) Target locations **MUST NOT** be used as navigational waypoints and mariners are advised to give them a wide berth of 5 ca (0.5 nautical miles).

Please note that whilst every effort has been made to ensure this information is correct at time of issue, it may not always be possible to give notice of last-minute changes.

Mariners are strongly advised to remain vigilant for any hazards to their vessel whilst transiting the Danger Area. Please contact Range Control on the numbers below if further advice is required.

01239 813480 or 01239 813760
